2025-2026 Revised Budget Proposal

At our December meeting we will be voting on a revised 2025-2026 operating budget (see below). Thank you to the community for your input in this process! The revised budget reflects some adjusted numbers, including a decrease in the intern committee budget, and an increase (or reallocation of those funds) to the Raising Awareness and Teacher Grants budget line items (per the community survey we sent out). We came in below our target for Direct Donation funds raised as well, so we wanted to revise our numbers to reflect a more balanced budget.
